The search goes south

The **Cell One Road to Fame** Hardap Regional Finals recently took place in Rehoboth and Mariental, ending in an event which had just about the whole of Mariental dancing and singing on Sunday, 10 February. In total 61 contestants auditioned making the decision tough, but eventually Anuschka Eiman from Mariental was chosen as the Regional Finalist.

More than one thousand spectators showed up for the final event, where celebrity artists Antie Sousa, Chuckies & Punch and The Verdicts had the crowd jumpin'.

With just two more regional winners left and the Cell One Road to Fame crew currently in Lüderitz, the search is quickly coming to an end. Anyone who still wants to be part of the excitement should watch the press for details of future events, venues and auditioning times.
