

Cell One “run’s for fun” in Katutura

Cell One was one of the sponsors for the Katutura Fun Run which was held in Windhoek, on 04th August 2007 by donating 100 t-shirts, water and foam caps to the participants. The Katutura fun run consisted of five categories, being seniors, veterans, juniors and primary school and the first four winners in each category received airtime gift vouchers from Cell One worth N\$50. The Fun Run was organised by the Golden Cheetah Athletics Club and covered a distance of 3.5 kilometres.

Cell One CEO Lars Christian Luel said, “The Katutura Fun Run proved to be an event well worth getting involved with. Cell One’s aim has always been to get involved with the various communities and by sponsoring this event, we believe that Cell One has indeed made a positive difference.”
