

### **CELL ONE ANNOUNCES WINNER**

Cell One again touches the heart of yet another Namibian. On Monday 07 October 2007, Cell One announced the winner of their Windhoek Show Competition and Lizaan Van Rooyen is the lucky recipient of the U700 Samsung handset prize. To be entered into the draw for this prestigious handset customers had to do buy a Starterpack, at the Cell One stand during the Windhoek Trade Fair.

Lizaan, a twelve year old pupil at Eros Primary School, shared on her excitement, she said "I am very delighted today to get this prize. This mobile phone will allow me to do so many exciting things like taking pictures and even playing games and listening to music. Thank you Cell One for making this possible and giving me a cool phone".

There were literally thousands of entries as the Cell One show stand was a buzz of activity during the week. So pleased were the Windhoek Show judges with the Cell One stand that they awarded it a "Gold" award.

"As Cell One continues to roll out its Namibian network, so too will Cell One focus on rewarding our customers and future customers through various activities", said Chief Executive Officer Lars-Christian Luel
